► Easter message from Fr. Yang *(Translated)*

Happy Easter!

Today is a wonderful day, Jesus has risen! As I observe the nature's beauty in the new spring leaves that are tenderly growing in the warm sunlight, I would like to share the Easter good news with you.

I thought to myself, what would happen, in the fall, if trees had the choice onto their leaves. wouldn't be able leaves. I think that about letting go have. They shed knowing that in the new life from God.

not to let go, but hold Then, in the spring, we to see the new budding trees don't think twice of everything that they their leaves with joy spring they will receive

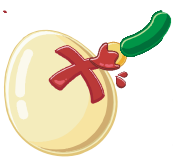

The empty tomb that the disciples discovered today gives evidence to Jesus' resurrection. The empty tomb shows us that Jesus is not dead, but has risen. He has risen and is alive in our hearts. But, if our hearts were filled with hatred, anger, envy and other unclean things, how could resurrected Jesus dwell in us?. If you want to meet our risen Lord and have him remain in you, then we need to become self-less persons with a pure hearts.

My dear brothers and sisters, I pray for you, all the youths and young adults of the Holy Korean Martyrs Church, that you will be filled with the new resurrected life and love of our risen Lord Jesus Christ. Alleluia!

Fr. Paul Yang

► WHAT IS EASTER?

Easter is the celebration of Jesus Christ's resurrection after his crucifixion. It is usually celebrated on the first Sunday after the full moon following the first day of spring, which can be any Sunday between March 22 and April 25. According to the scriptures, Jesus tomb was empty three days after his death and his disciples saw him and talked to him after this. We, Christians, therefore believe that we too can receive new life after death.

► NAMES OF EASTER

Easter was called Pesach (Passover in Hebrew) by early Christians. Today, the name for Easter in many cultures in Europe is similar to the word Pesach.

For example :

France - Paques, Holland - Pasen
Spain - Pascua, Greece - Pascha
Italy - Pasqua, Sweden - Pask
Albania - Pashke,
Norway - Paaske

► HOW DID EASTER GET ITS NAME ?

Before Christianity in early England, the people celebrated the vernal equinox with a feast honoring Eastre, the goddess of spring. When the early English Christians wanted others to accept Christianity, they decided to use the name Easter for this holiday so that it would match the name of the old spring celebration. This made it more comfortable for other people to accept Christianity. Some believed that the word Easter came from an

early German word "eostarun", meaning dawn and white. Newly baptized Christians wore white clothes as a sign of their new life on Easter.
